**RE: Phase I Environmental Site Assessment Information Request
Agri-Service at 422 Thunderegg Blvd., Nyssa, Oregon**

To Whom it May Concern:

Summit Environmental, Inc. (Summit) has been retained to conduct an environmental site assessment on the property located at 422 Thunderegg Blvd. in Nyssa, Oregon (see attached aerial maps). The property is currently occupied by Agri-Service, an agriculture equipment sales and service company.

The Site consists of a commercial sales and service building along with miscellaneous agricultural equipment, such as tractors, bailers, combines, etc.

Aerial maps with the Site location indicated are attached for your assistance. If you have any questions about the Site location please, contact Summit at 208.377.2900.

We would appreciate any available information your office might have regarding environmental contamination at the Site, or any nearby properties that may impact the Site. Information regarding any area or regional environmental concerns that may potentially impact the Site would also be beneficial.

Information pertinent to Summit's assessment would include, but not be limited to: chemical spill notifications, employee or citizen complaints regarding chemical management, noncompliance with environmental regulations (RCRA, CERCLA, etc.), leaking underground storage tanks, groundwater and drinking water information, sewer/septic and waste water information, or any current or past environmental investigations associated with this area.

Please call me at 208.377.2900 if you have any questions or need further information. A written response addressed to me prior to March 21, 2014 would be greatly appreciated. Please reference the site in your correspondence.

Sincerely,
Summit Environmental, Inc.

A handwritten signature in dark ink, appearing to read "Mike Larango".

Mike Larango, CES
Field Supervisor
